

State Official Cuts Ribbon To Open New Highway Here

Chamber Program Draws Many Officials To Ribbon Cutting

Scores of state officials and other dignitaries were arriving here this morning to participate in the ribbon cutting ceremonies marking the official opening of the new freeway between Floriston and the Nevada state line.

John O. Bronson of Sacramento, a member of the California Highway Commission, has been selected by N. F. Dolley, president of the Truckee Chamber of Commerce, the sponsoring organization, to cut the ribbon near Floriston this morning.

Acting as master of ceremonies at the affair will be George Goebel, currently featuring the program at Cal-Neva Lodge at North Tahoe. Goebel also is slated to preside in the same capacity at the luncheon to be held at Smart's this afternoon at 1 p.m.

State Senator Harold T. Johnson of Roseville, District Highway Engineer Alan S. Hart of Marysville, Robert King, executive secretary of the Winter Olympics Organizing Committee, H. D. Thoreau, executive secretary of the California Olympic Commission as well as a score of other special guests were expected to attend the ceremonies.

The program started this morning at 11 a.m. when the caravan left the Southern Pacific depot by busses and cars for the ribbon cutting ceremonies. The group was slated to return at 1 p.m. for the luncheon and brief talks by the guests and then a tour of Squaw Valley to see progress being made for holding the 1960 Olympics will be made.

Dolley said that preparations have been made for the reception of 80 at the luncheon, which because of limited space is being confined to officials and special guests.

Limits Of Trout Caught On Street

Nearly everyone agrees that fishing in the Truckee area is excellent, but even for Truckee, catching five or six limits on the main street is a bit unusual.

That's what happened, however, when a lid on one of the state fish and game commission's planting trucks came loose Tuesday morning in front of Jim Walker's Toggery and approximately 100 trout were spilled out upon the pavement.

When Deputy Sheriff Emery Lander arrived on the scene, several local people had limits of trout from eight inches to a foot in length. The officer thought of confiscating the catches, but was advised by the planters that the loss was not salvagable and the dry-land anglers were permitted to keep their catches.

SERVICE OFFICER TO VISIT HERE FRIDAY

A representative from the Nevada County Veterans' Service Office will be in Truckee on Friday, August 15, between the hours of 10 a.m. and 3 p.m. Anyone desiring to avail themselves of these services may do so at the office of Justice Fosten W. Wilson, justice court, during the hours indicated.

THRIFT SHOP OPEN BY TAHOE SQUAWS

The Tahoe Squaws, a newly organized club, composed of young women of the community have announced the early opening of a charitable project, the Thrift Shop to be located in the quarters of the old Pacific Telephone offices, just south of Tahoe City on Highway 89.

The group will gratefully receive any donations of usable, good household articles and clothing to supply their shop which may be made by contacting Mrs. Robert Beckman at JUniper 3-3519.

BOB HOPE SCANS LOCAL LOCATION

Dick Nolan in his column, The City, in the San Francisco Examiner, says that Comedian Bob Hope stopped off in San Francisco for a game of golf while en route to Truckee. The writer said Hope was coming here to inspect locations for a new Bob Hope Production, a comic western titled "Alias Jesse James."

MORE TROUT PLANTED IN STREAMS OF AREA

Catchable trout were planted this week in a number of local streams, the department of fish and game reports. Among the streams restocked are Donner Creek, Prosser Creek, Truckee River and Donner Lake. Ward Creek at Lake Tahoe also received a consignment as did the Yuba River.

Crucial Game Here Sunday As Locals Meet Lovelock 9

Lovelock of the Sierra Nevada League comes to Truckee Sunday afternoon in the final and perhaps the most decisive game of the current season.

Last Sunday Truckee Mountaineers snapped a long losing streak to defeat Verdi 6 to 5 and thus hold a thin grasp on third place tie. If Truckee wins the game Sunday they will be in the playoff and if they lose the chances are very good that they will not with a 7-7 season.

Manager Al Wakefield, who has replaced Floyd Cooper at first base, said he hopes sincerely that the boys will be in good shape Sunday, as the Lovelock team may be tougher than in the previous contest which Truckee won 12 to 1.

Ernie Pello pitched the full nine innings of the four-hour game Sunday for the Mountaineers, allowed 12 hits, from which the visitors collected only five runs. He struck out four batters.

On the other side, Wally Leonard struck out 15 and allowed only six hits. The Mountaineers capitalized on these bingles however, to score their six runs. Roy Bell, Louis Goicoa, who played right field Sunday while Pello did the pitching, Bob Oates, Roy Stone, Pello and Gordy Stewart, each got one hit, Pello's two-bagger being the best of the lot.

The short score:
R H E
Verdi 5 12 3
Truckee 6 6 6
Leonard and Roy Galli; Pello and Stone.

Girl Scout Drive Is Scheduled Soon

The annual Sierra Nevada Girl Scout fund drive in the Truckee neighborhood will start with coffee-time at Smart's Cafeteria on Thursday, August 21 at 1:30 p.m. Additional volunteers for the drive are Chet Burns, Peggy Dumas, Mesdames Lyle Hubbard, James Walker, Jack Miller, Chas. Vind, Ben King, G. E. Lewis, Dave Rose, Lloyd Van Sickle, Wes Sauby, Lorin Ferdinand, Glenn Coffey and C. P. Shane.

There are currently one Brownie Scout and two Intermediate Scout troops registered in the Truckee neighborhood with the expected increase of at least two more troops this fall. Some of the services by affiliation with the Sierra Nevada Girl Scout Council during the past year were an outdoor basic training course taught by a Girl Scout professional in Truckee; an advanced outdoor training course given at Galena Camp; monthly neighborhood meetings held in Truckee with council directors attending each one to assist in any problems the community Scout leaders might have; use of the facilities offered by the Council office in Reno; attendance by Brownies and Intermediates at the council-wide Girl Scout Fair held in Fallon, Nevada, attendance by 7th and 8th grade Intermediates at a week-end Round-up at Galena Camp, Nevada and the opportunity for Girl Scouts 10 years or older to attend the Sierra Nevada Girl Scout established Camp Wasiu at Meeks Bay, California.

A Brownie Troop leadership training course will be one of the first things offered this fall in Truckee. The Council is planning to send a patrol of eight Senior Girl Scouts to the National Round-up to be held in Colorado in 1959 and Girl Scouts registered in the Truckee Neighborhood will be eligible to compete for this honor.

The Sierra Nevada Girl Scout Council is an area-wide council comprising the geographical areas of Reno, Sparks, Fallon, Yerington-Weed Heights, Carson City, and Truckee. Funds from this drive help contribute the local share of the council budget. The goal is \$600.

ROTARIANS PLAN FOR BARBECUE MEETING

There will be no meeting of the Truckee Rotary Club Monday as the local members will attend the annual barbecue sponsored by the Reno Rotarians at Idlewild Park that evening.

The following Monday, the local club will hold a barbecue at the west end of Donner Lake for families and guests.

Carroll Maynard presided at the meeting held Monday at Donner Lake Lodge.

Highway 40 Leads As Traffic Shows Big Gain For July

New All-Time High Mark Reached As 94,000 Cars Checked

Traffic entering California over Highway 40 zoomed to a new all-time record last month as Truckee went into first place as a port of entry.

According to the report from the department of agriculture, the Truckee quarantine station checked 94,439 cars, 4,392 trucks and 895 buses with a total passenger count of 282,041.

This exceeded July, 1957 by approximately 14,000 cars and was 21,000 over June of this year.

Yermo, in southern California had fewer vehicles checked but a trifle larger passenger count with 93,896 cars and 293,936 passengers.

The count at the Truckee station is expected to surpass the 100,000 mark this year.

The Meyers station on Highway 50 last month checked 29,817 cars, 453 trucks and 63 buses with a passenger total of 83,114, the report shows. This was an increase of approximately 1000 cars over last year. Highway 50 was in eighth place as an entry highway among the state's 18 reporting.

SACRAMENTO (CNS)—Traffic entering California through state border quarantine stations showed increases over 1957 in all categories during July, the state department of agriculture reported.

During the month, a total of 1,747,768 passengers in 321,853 California registered automobiles, 249,460 out-of-state vehicles and 4,901 buses passed the border stations. This compared to 1,655,622 passengers during July, 1957.

The busiest checking station, in terms of total passengers was Yermo, with 293,936 persons, followed closely by Truckee, with 282,041 passengers. Truck traffic was highest at Winterhaven, where 8,164 heavy vehicles passed.

The station at Blythe, with 911 stages and 26,544 passengers, topped that department, followed by Truckee, with 895 buses and 25,540 passengers.

10 OF 12 ARRESTED FINED AS DRUNKS

Of the 12 arrests made by local officers during the weekend, ten were for being drunk and included eight men and two women. One arrest was made for drunk driving and one held on a felony warrant from San Mateo County.

All the prisoners appeared before Judge Fosten Wilson and were sentenced to serve 10 days in jail or pay fines.

Kenneth M. Griffin of Rocklin, who was arrested at Kings Beach on a drunk driving charge was released on \$263 bail.

NEW STREETS FOR ESTATES TO START

Eve Popovich, local realtor, said this week that the long awaited paved streets in the subdivision, Donner Trail Estates, will be under construction beginning Monday, August 18.

VACATION SCHOOL AT CHURCH OPEN SOON

Vacation Church School will begin August 18, through the 29, to be held in the Community Methodist Church, it was announced by Mrs. Wilber Glenn.

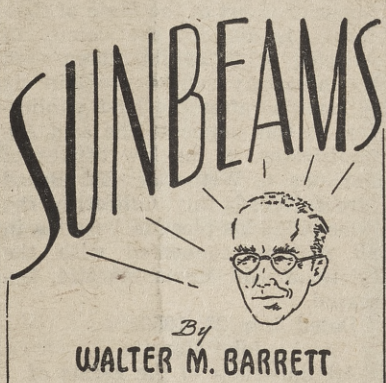

The sessions will be held Monday through Fridays between the hours of 9 and 12 A.M. for children of kindergarten age through the sixth grade.

Those wishing to enroll may contact Mrs. Glenn. A fee of one dollar per pupil or \$1.50 for a family will be made to cover minimum costs of supplies.

KEITH REIDS LEAVE FOR SUNNYVALE

Mr. and Mrs. Keith Reid who have been here for some time have returned to Sunnyvale to make their home, following the former's announcement that Frank Stewart of Nevada City had bought his interest in the Shell Station on Highway U.S. 40.

Reid said that the transaction resulted from his placing an advertisement in the Sierra Sun.

Today marks the beginning of the 23rd year of continuous publication each week of the Sierra Sun and Truckee Republican by its present owners, Mr. and Mrs. Walter M. Barrett. The Lake Tahoe, Donner Summit and Truckee area news has been recorded and sent to a continuously increasing number of subscribers, scattered in many parts of the United States and the world. The weekly issues have published the happenings of neighbors, friends, worked for promotion of progress throughout the area. This has been gratifying during the 22 years as it has been proven that many individuals from other places have been influenced to become a part of the district and world wide recognition has been realized through the publishing of the opportunities and beauty of the mountain country. We came with the idea of making this our home and are increasingly glad of the decision. The continued growth of the newspaper with the healthy development of the community it serves is most rewarding.

Three Are Hurt In Area Car Wrecks

Three people were hurt in two motor vehicle accidents during the past week, Sergeant Frank Snyder of the California Highway Patrol reports.

Sunday at 9 p.m. at Soda Springs a collision between cars driven by Arthur Langford of Concord and Richard Ronne of North Sacramento sent Mrs. Alta Ronne, 43, to the Tahoe Forest Hospital for treatment. She was not badly hurt.

Langford was making a left turn when his car was hit by the Ronne machine. No citations were issued.

A three car collision at 3:45 p.m. Sunday three miles west of Kingvale injured Elsie Hensen, 42, Sacramento and Sadie Wolfe, 50, her passenger. Other drivers were Angelo Overton of North Hollywood and Roy Roda of Whit River, S.D. Mrs. Hensen and Roda were cited for following too closely.

LYNN COLLINS WEDS BOB JACOBS IN RENO

At a ceremony performed in Reno Saturday evening, Mrs. Lynn Collins, a former Truckee resident, more recently living at Costa Mesa, became the bride of Robert Jacobs of Truckee. The wedding was attended by a small number of friends and close relatives.

Jacobs is well known in Truckee, where the couple will reside, and operates Jacobs Distributing Company.

PLANS COMPLETED FOR GOLF TOURNEY

CRYSTAL BAY — Plans have been completed for the third annual Lake Tahoe invitational \$5,000 pro-amateur golf tournament which will be held September 5, 6, and 7 on the north shore of the lake.

The entry fee is \$25. The tourney includes a \$2,500 purse for the pros and a like purse for the best ball threesomes. The top pro stands to make \$750 and the same amount also will go to the winning best ball team. There will be 20 merchandise awards for the leading amateurs.

Entries should be mailed to Peter Marich, tournament director, P.O. Box 2186, Reno, Nevada.

NEW PRIEST HERE AS ASSISTANT PASTOR

Father Paul Roswog most recently of Grass Valley and previously at the Sacramento and Folsom parishes of the Catholic Church, has arrived to assist Father P. J. O'Neill in this parish.

The newcomer is a native of Indiana and was educated at Josephinum seminary in Columbus, Ohio. He has been ordained about a year. Father Roswog replaces Father Leo McAllister who has been chosen as senior assistant at the Cathedral of the Blessed Sacrament in Sacramento.

Olympic Work Is Declared To Be Up With Schedule

Snow Safety Program Is Approved At Meet Of Commission

Robert DiGeorge, vice president of the Winter Olympics Organizing Committee, reported to the California Olympic Commission at Friday's meeting of the latter organization, that barring a bad break in the weather, construction at Squaw Valley will be up to schedule this fall.

The four dormitories that will house the 1200 men and women participating from 30 countries during the 1960 games are nearing completion and other facilities are well under way.

At the Friday meeting the commission approved a \$40,000 snow safety program which is designed to protect against avalanches and other potential dangers. The plan was presented by Willie Schaeffer, assistant sports technical director, and M. H. Atwater, winter sports representative of the U.S. Forest Service. The plan specifically covers the Squaw Valley snow safety operations for the period of August 1, 1958 to September 30, 1959 and may be extended.

A plan presented by Wayne Poulson to move and extend a Pomo lift was referred to the technical advisors of the commission and the forest service officials.

The commission adopted a policy of permitting private land owners to purchase any surplus benefits of its water and sewer disposal systems at rates determined by the commission.

Bids were expected to be opened this week for the approach road to Squaw Valley from State Route 89.

Charles R. Blyth, chairman of the commission, presided at the meeting held at his offices in San Francisco.

Utility Board Asks Job Applications

Men with business management experience are being urged to write their qualifications in a letter to the board of directors of the Truckee Public Utility District before August 28 to give the board an opportunity to select an office manager at that time.

Some applications have been received for the position to be vacated when Cecil Edmunds' resignation becomes effective September 1. Edmunds has resigned his post as manager of the district after more than 30 years of service and although he will remain in an advisory capacity as clerk of the board, the directors are anxious to secure the services of a capable manager to take over the office duties.

The board hopes to have a number of applications for the position so that the right man can be chosen at the August 28 meeting.

The work does not entail outside construction or line supervision. Applications should be written to the Board of Directors, Truckee Public Utility District, Truckee, California.

MISS DIANE SHAVER TO WED KEN KEVEN

KINGS BEACH — Mr. and Mrs. M. H. Waddell of Kings Beach have announced the betrothal of their daughter, Miss Diane Shaver to Kenneth Keven of Truckee.

The popular young couple has been receiving felicitations of their many friends, following the engagement.

The wedding is expected to take place in the near future at Lake Tahoe.

HELLER HOME SCENE FOR WYETHIA TEA

Tomorrow afternoon, between the hours of 2:30 and 5 o'clock the garden of the Charles Heller home at Gateway Park will be the setting for the Wyethia Club silver tea with Mrs. Elmer Brown, president and past presidents of the club in the receiving line.

Mrs. E. L. Loynd is chairman of the affair and is assisted in arrangements by Mesdames Erwin Single, Glenn Miller, Wm. Englehart, I. Firpo, Charles Heller.

Mrs. Annie Tonini and Mrs. Tony Polyanich will preside at the attractively appointed tea table.

Football Exams At High School Will Be Held Monday

First call for football practice has been issued this week by Coach Stan Drakulich and assistant Guy Wilson for Monday, August 18 at 5:30 p.m.

At that time Mrs. Nelson, King, and Turner will be on hand to give pre-practice physicals which every boy must have before he can turn out for football or before he can be issued any equipment.

Coach Drakulich has asked that all aspirants to the Varsity and Junior Varsity football teams be on hand for physicals that night since the doctors have been kind enough to donate time to help. Anyone that does not get the free physical at that time will have to pay for their own if they get it later. This year there will be no exceptions to the rule, no practice equipment will be issued until an examination card has been turned in, Drakulich said.

Drakulich asks that all varsity tryouts turn out Monday night with shorts, T-shirt and football shoes to start getting ready for the first game a practice scrimmage game against the Sparks Roadrollers at Sparks Friday night September 5.

The rest of the schedule is as follows:

Sept. 13, Yerington at Truckee.
Sept. 19, Norte del Rio at Sacramento (Friday afternoon).
Sept. 27, Fallon at Truckee.
*Oct. 4, Winnemucca at Truckee.
*Oct. 11, Douglas at Truckee.
Oct. 17, Quincy at Quincy (night).
Oct. 25, Manogue at Manogue.
*Nov. 1, Lovelock at Lovelock.
*Nov. 8, South Tahoe at Al Tahoe.
*Conference Games.

County Fair Opens On August 21st

Nevada County's fair is scheduled to open next Thursday and will continue through Sunday — four big days of entertainment, exhibits, carnival and a score of other attractions.

The fair will be held in "California's Most Beautiful Fairgrounds", acres of tall pines and cool shade just west of Grass Valley.

Thursday evening's program will be highlighted by professional vaudeville shows by TV and radio stars. Friday evening the junior horse show will be held and Saturday evening the wild west rodeo is scheduled. The annual fall stock sale will be held Sunday morning and Sunday afternoon the horse show is to be staged. Jalopy races Sunday evening will bring the fair to a close.

AGENCY MEETS HERE TO DISCUSS ZONING

At a meeting of the Nevada County Redevelopment Agency held at the office of the Truckee Public Utility District Tuesday night, Richard Mitchell, federal coordinator from San Francisco discussed phases of zoning. It was decided to have an unofficial public meeting early next month to air the various steps necessary.

C. Z. Smith, the agency chairman, presided at the meeting and announced that the next meeting would be held at the same place on September 10.

BUDGET FOR SCHOOL PASSED AT MEETING

There were no protests presented at the public hearing August 5 on the budget for the Tahoe Truckee Unified School District and the budget, as recently published, was adopted.

Other routine matters, including a report on the buildings, were discussed.

It was announced this week that Wayne Heitz and George Brock of Healdsburg have purchased Martin's Cottage Pines at Donner Lake. They plan to operate the place the year around and to increase the present facilities.

Gill's Bail Is Fixed At \$10,000 After Arraignment Here

Charges Filed After Three Men Threatened In Local Fued

Three men who were allegedly forced at gunpoint to leave their domicile at Frog Lake and accompany their accused abductor to Euer Valley, have filed charges of assault with a deadly weapon against William Gill, 33, of Oklahoma, who has been visiting at Euer Valley with relatives.

The accusers are Laurence H. Smith, owner of Frog Lake, a guest and prominent bay area resident, Fred P. Cox and the resort caretaker, Walter Taylor.

According to Deputies Sheriff Roy Waters and Emery Lander and State Patrolman Carroll Maynard, who were called to the scene by Mrs. Smith, Gill had been drinking and recalling a feud between his brother in law, Louis Euer, and the Smiths, armed himself with a shotgun and went to Frog Lake, demanding that the three men accompany him.

To emphasize his demands, he fired one blast from the shotgun into the ground at the feet of his accusers.

He drove the three to Euer's 7-C Ranch and after a short time the officers arrived. Gill disposed of his shotgun and picked up an antique rifle, dashing into the brush nearby.

The officers searched the area thoroughly and called for reinforcements, Deputies Frank Galino and Bill Mullis arriving from Nevada City to join in the search.

Maynard said he had Gill in his sights two or three times, but because of the nature of the alleged attack, declined to shoot, preferring to capture Gill. The latter evaded the officers throughout the day Sunday and late Sunday night went to the Euer home to surrender himself.

Euer called Judge F. W. Wilson and asked the latter to come to the ranch and talk to Gill. This the judge did and after a discussion, during which Gill is said to have admitted being at fault, he asked that Wilson take him to Nevada City jail in preference to the Truckee bastle.

Wilson drove the prisoner to Nevada City and notified the officers here about 1 a.m. Monday. Judge Wilson has set Gill's bail at \$10,000.

Public Opinion On Water To Be Asked

A public opinion poll of Lake Tahoe property owners regarding lake water level problems will get underway this weekend, August 16-17, the California Department of Water Resources announced.

The survey is being conducted by Field Researching Co., of San Francisco, under contract with the joint California-Nevada Interstate Compact Commission.

Purpose of the poll is to determine from property owners whether they are damaged by high water conditions. The survey also seeks to learn how much landowners would be willing to pay for any benefits derived from changes in the lake level.

The compact commission is interested in the Lake Tahoe problem as part of its negotiations for an agreement on allocation of waters between the two states. These waters, in addition to Tahoe, include the Truckee, Carson, and Walker River systems.

Interviews will be calling upon property owners from this weekend through the remainder of the month of August.

JAY RABLINS ARE PARENTS OF SON

Mrs. John Rablin returned to Truckee following a week visiting at San Jose with their newest grandson, born August 2 to Mr. and Mrs. Perry Jay Rablin.

The second son of the couple weighed 8 pounds on arrival and has been named Matthew Thomas. His father is well known here where he attended school. He will teach in the junior high school at Colusa, this year. His subjects are science and physical education.

425 SIGN TO JOIN TAHOE ELKS LODGE

CRYSTAL BAY — At the last meeting of the Lake Tahoe Elks Lodge No. 2094, 109 members attended the dinner-meeting at Crystal Bay Club. Bill Butner and Cy Smith of grand lodge spoke on Elksdom and expressed their satisfaction in the fact that there were already 425 members accepted to sign the charter, institution night, Sept. 13.

Jim Taylor indicated that over \$8,000 was on hand in the treasury.

Last day to put in application to the lodge is Thursday, August 21. The jurisdiction of the lodge covers all of Lake Tahoe, Truckee, Carson City and half way to Placerville.

Next meeting will be held tonight starting at 7:30 p.m. at the Tahoe Valley Lodge, at the "Y" of Highways 50 and 89 at Tahoe Valley.

KNIGHT CRITICIZES ACTION OF GROUP

SACRAMENTO — (CNS)— Gov. Goodwin J. Knight has labeled his party's failure to take a position in its platform on right-to-work as "expedient vote getting" and said there might be candidates in 1960 who would regret the action.

The GOP convention, held in Sacramento last weekend, said in its platform the right-to-work initiative had been placed on the ballot by the people and should be decided by them. It removed from its platform its 1956 position of favoring the union shop.

Knight admitted that, in discussing a stand on the union shop with "leaders" of the party during the weekend, he had talked with Vice President Richard M. Nixon, but not with Sen. William F. Knowland.

Housing Director Here—
Lou Spitz, housing director for the 1960 Winter Olympics, was a business visitor here last week, conferring with local hotel and motel owners.

Patients—
Local patients at the Tahoe Forest Hospital are William Ventura, admitted Aug. 3 following an automobile accident and Franklin Patton who underwent surgery.

GOVERNOR EXPLAINS CHANGE IN CAMPAIGN

SACRAMENTO — (CNS)— Gov. Goodwin J. Knight told capital newsmen there was "no mystery" about Edgar A. Waite, short-time manager of Knight's campaign for election to the U.S. Senate, leaving the post.

Knight said Waite had told him originally he would stay on the job only until an organization was set up in northern California. Knight since has hired the husband-and-wife campaign team of Hazel Junkins and Bob Voigt of Los Angeles.

"Junkins and Voigt will have charge of the campaign in general," Knight said. "They'll have charge of advertising, and so forth. I'm going to get a coordinator for northern California."

Knight added the Junkins and Voigt firm would act in the same capacity as his former campaign managers, Whitacker and Baxter of San Francisco.

WHAT'S DOING

LIKE TO WIN \$10? Just write me about your most memorable experience with a long distance call. For each true long distance story we use in this column, we'll pay \$10. Maybe yours will be one of them!

Here's a sample of the kind of story we'd like to get.

The Richard Wilsons, of 14 Guerrero Street, lost their fox terrier, "Spot," on the last day of their vacation in the Sierra. When they searched the area around their cabin, they found no trace of the dog. As tears streamed down the faces of their sons, Rich, 8, and Steve, 5, the Wilsons sadly drove home. When they arrived, they decided to phone the ranger station near the cabin, on the slim chance that Spot had been seen. Said a ranger: "A stray fox terrier wandered up here an hour ago. I'll put him on the line." Then came the sound of Spot's barking across the miles—turning a tragedy into the happiest day of the year for the Wilsons.

On your most memorable long distance call did you give—or receive—some exciting news? Did a call help you solve a problem? Did you surprise someone you hadn't seen in a long time? Or maybe your call gave you a special lift, as a long distance call so often does. Just write:

E. J. Bean, Manager, Pacific Telephone
Tahoe City

HERE ARE THE SIMPLE RULES:

1. True story of your most memorable long distance call.
2. Print name, address and telephone number at top of your story.
3. Send story to local manager listed above. Manuscripts cannot be returned.
4. Pacific Telephone and its advertising agency will be sole judges of acceptability.
5. Contest closes, Monday, September 15, 1958.
6. Employees of Pacific Telephone and their advertising agency, and members of their families are not eligible.

**ZONING HEARING FOR
TAHOE POSTPONED**

AUBURN—The county supervisors have continued until Sept. 2 a hearing on a proposed ordinance to zone an area near Tahoe City, Lake Tahoe, as a special business district.

The continuance, the third made by the board, follows the supervisors' decision in June to postpone the hearing until master plan information concerning the area is

made available by Mazy Salter, county planning director. The ordinance is proposed in connection with a plan to build a shopping center one quarter mile south of Tahoe City.

be administered.

Akers said tests must be completed prior to registration. In order to assure a better selection of courses and sections at the time of registration, scheduled for August 25 through August 30 and on September 3, students are strongly urged to complete their testing August 19 and 20.

For students unable to meet the earlier dates, the testing program will be repeated on September 2, a Thursday, starting at 1:15 p.m. in the Little Theater. All three tests will be given.

For these students, the first six days of registration will have passed, and some sections may have been filled before they can register on September 3.

Further information may be obtained by writing Akers at the administrative offices in Auburn, or by calling him at Turner 5-6582.

**TAHOE GROUP ASKS
AID IN ZONE PLANS**

HOMEWOOD—The newly formed Lake Tahoe Area Planning Commission has asked supervisors of Placer and El Dorado to apply to the federal government for matching funds for planning.

The bicounty group composed of supervisors and planning commissioners from the two counties held its organizational meeting here.

A recommendation the two boards draft and submit the application was oked by the plan group after Robert Reed of the planning and engineering firm of Wilsey and Ham reported the action should be taken at once.

He said government officials have indicated they will allow three Nevada counties fronting on the lake to apply as separate entities for matching funds.

The dual county body was formed to solve mutual planning problems developing along the Lake Tahoe watershed area.

These problems were outlined to the group by Planning Directors Mazy Salter of Placer County and Paul Brace of El Dorado County.

Mrs. Salter reported on the Placer County part of the lake 448 acres is zoned commercially but 291 of these acres are not being used for commercial purposes.

She said 83 acres of land zoned for other purposes is being used commercially.

Brace outlined a proposed road system planned by El Dorado County for the South end of the lake. He reported subdividers have asked for action by December on 5,000 acres of land which he said would more than double the present developed acreage at Lake Tahoe in El Dorado County.

Brace estimated the population in this area of the lake will rise from 7,000 to nearly 50,000 in 10 years if the subdivision plans are carried out.

Both planning directors said immediate action is necessary to keep up with the growth.

The commission elected El Dorado County Supervisor Ray Chism chairman, Placer County Supervisor Frank Paoli vice chairman and Placer County Supervisor L. L. Anderson clerk.

**MODEL HOME WILL

Sell Home

Mrs. George Feil and Mrs. Bob Dewell of Tahoe Vista have sold their home and have been staying with Andy and Alice Sorensen in their motel perhaps for the summer.

Home

Congratulations, Joellyn Ashton, upon your graduation. It is wonderful to have you home.

Accident

For some reason, I failed to report the awful accident that befell Thelma Burroughs while on her way to work at the Tahoe Forest Hospital a week or so ago. Her car was hit at Tahoe City and she was very badly injured and will be incapacitated for some time. She has been in traction at the hospital, but we are happy to report that she is now at home. It will be some time before she is fully back to perfect health. We are hoping it will be a quick recovery. Good luck, Thelma!

At Lake

Mrs. John Eybel and family were up at her home on the golf course for a week.

Golf

Jackie Ross had his star players at the golf course bright and early last Sunday and Monday. Many movie stars brightened the play and the gallery. Quite a throng trailed the popular players around the course.

A big banquet and show was held at the Crystal Bay Club, Tuesday night where a show was presented and prizes were presented the winners. Jackie did an exceptional job throughout.

New Home

Sid Gibbeaut is contemplating a beautiful new home on Cutthroat Street in Kings Beach.

To Tucson

Andy Anderson of Kings Beach and Tucson, Ariz. left for that city last Thursday. Mrs. Anderson and two daughters left the beginning of this week.

New Motel

Jackson and Dolce Brandt have opened their brand new Driftwood Motel at Tahoe Vista right next to the Sorensen Motel. It is a real credit to the community. We wish them well in their new venture. Jackson is also an accountant and carries on his business there.

Son Born

Another popular young lady of our area made the headlines when Diana Abbott Lemke gave birth to a big baby boy August 11 at Virginia Mason Hospital in Seattle. The youngster, Wayne Mark Lemke weighed seven pounds, three ounces. The grandmother enjoyed a big thrill when she talked over the phone to Diana 15 minutes after the baby was born.

Wedding

A pretty wedding was performed on the lawn of the home of Judge and Mrs. Harry Charrison Monday, August 11, when Frederick Christofson of Inlay, Nevada, claimed as his bride Miss Helen Rita James of Portola. The vows were taken in a colorful setting and the couple left to spend a honeymoon in Reno.

LAKE LEVEL

TAHOE CITY —With all gates closed, the level of Lake Tahoe Monday was 6228.95 "provisional" subject to revision. Typical summer weather has prevailed with a high of 78 and a low of 50 being recorded during the week ending Monday.

ARMY PREPARED TO
GIVE COOPERATION
TO OLYMPIC GAMES

WASHINGTON—The Army reported to Congressman Pat Hillings of California that it is prepared to provide the fullest cooperation in insuring the success of the 1960 Winter Olympic Games in California's Squaw Valley.

Hugh M. Milton, assistant Army secretary, advised Hillings that the army now is working on plans for its participation in support of the games.

Similar assurance by the Navy was given Hillings.

Hillings said both the Army and the Navy will spend about \$500,000 in fulfilling their roles authorized by Congress.

He also expressed confidence that Congress also would provide the \$3,500,000 required to construct the permanent sports arena at the Squaw Valley site.

Hillings was given a briefing on the Army and Navy plans for the games because he sponsored legislation along with his fellow California Congressmen, permitting armed forces support of the Squaw Valley games.

Hillings predicted that the Wint-

er Olympics would open "the tremendous Squaw Valley area as a year-around recreational area, the likes of which will never be duplicated anywhere in the world."

The California-Congressman is rooting for the success of the Squaw Valley project because the area embraces his birthplace—Hobart Mills in Nevada County.

"The Winter Olympic Games in themselves are important from the standpoint of their great tradition," Hillings said in conferences with Army and Navy officials. "If there was ever a time when understanding among nations is important, it is today. And through the natural competition of the Olympic Games we can foster more understanding among peoples than a thousand Summit conferences."

"The Squaw Valley Winter Olympics, I predict, will be an instrument of greater understanding among peoples of the world than any other project."

On Aug. 10, 1921, the Navy's Bureau of Aeronautics was established to handle all matters "related to designing, building, fitting out, and repairing Naval and Marine Corps aircraft."

Works for you...

on the road or off!

The 'Jeep' Truck is time-tested and performance-proved. It works for you 365 days a year, because it's designed to handle the toughest assignments while taking the ordinary ones in stride. With the extra traction of its 4-wheel drive it goes—with a payload of over a ton—up steep grades, through mud, sand, snow or soft earth, where other trucks can't go. Then, for highway speeds it shifts quickly into conventional 2-wheel drive. With power take-off, it supplies mobile power for many types of machinery for business or farm. It's America's lowest priced 4-wheel drive truck.

Standard's local buying means good business
for more than 26,000 "hometown" suppliers

Our shopping list covers everything from adding machines to zinc. Almost any item you can name—from commonplace things like pencils, paint, pipe, printing to the less ordinary like binoculars, badges, blankets and burglar alarms—is on our 50,000-item shopping list.

Here in the West alone, last year Standard was a good customer for more than 10,000 suppliers of goods and services, to whom we paid more than \$250,000,000. This was an important factor in the business health of many western towns.

When a sum like this goes into circulation it spreads out in all directions to support jobs and payrolls. It helps assure customers for thousands of enterprises, both small and large, including Standard. That's why we make every practical effort to buy locally—it means better business in the communities we serve.

Progress in the West means—

Encouraging the growth of local business to help provide jobs for a population predicted to increase by one-third in ten years.*

LICENSES REQUIRED BY BABY SITTERS

AUBURN—Any persons provid-
ing care for an unrelated child un-
der sixteen years or any unrelat-
ed person over sixty-five years must
have a license according to Califor-
nia State Law. A license is requir-
ed although the care is given with-
out cost to the parents of children
or unrelated persons over sixty-
five.

Persons or parents placing child-
ren or aged persons in a licensed
home can have the assurance that
their children and aged father or
mother will receive adequate physi-
cal and emotional care in safe sur-
roundings. A licensed home means
that the licensee is a person who
is emotionally stable and is qual-
ified to provide professional type
care for either aged persons or
children.

A social worker from the wel-
fare department will help in in-
structing the operator as to plan-
ning and has many useful sugges-
tions. She will help the day care
mother or aged home operator to
plan safe and adequate care of her
charges or guests.

WATER HEARING AT TAHOE CITY TODAY

TAHOE CITY—The state public
utilities commission has a meeting
scheduled for 10 a.m. today at the
Tahoe Community Center to hear
the application of the Rubicon Wa-
ter Company for a certificate to
operate a water system at Lonely
Gulch, Rubicon Bay.

The session also will hear pro-
tests by several complainants that
the company upped water rates
from \$27 a year to \$72 a year for
a five room residence and \$3 for
each additional room. The com-
plainants stated the rates were
upped after the company bought

the water system from the Rubicon
Bay Investment Company, Inc.

In addition to what they claim
are "unjust and unlawful charges"
the protestants state the company
charged customers for connections
from the mains to property lines
and declare this should be the re-
sponsibility of the company.

BILLBOARD ISSUE IS DELAYED BY BOARD

AUBURN—Placer County supervisors shied away from a recommended plan for temporary banning of billboards on all new sections of US Highway 40 freeway and indicated each sign application should be considered on its own merits.

The ban had been recommended by a joint committee of county planning commissioners and supervisors. They suggested the ban should stand until a master plan is developed for the cross county freeway.

The supervisors, by lack of a second, killed Supervisor L. L. Anderson's motion for a speedy study of the billboard program by the planning commission. He suggested the study could be made with a view toward revising the present emergency ordinance for billboard control.

Board members did approve an amendment to the present ordinance which provides signboard applicants must appeal to the supervisor in writing from a rejection by the planning commission.

ROSEVILLE IS IRED BY TAX TRANSFER

ROSEVILLE — The Roseville Area Chamber of Commerce has accused the county supervisors of breaking faith with the incorporated cities of the county by transferring \$200,000 in sales tax revenue

BUDGET IS ADOPTED BY SIERRA COLLEGE

AUBURN—Sierra Junior College District trustees have adopted a \$621,582 budget for 1958-59, calling for a tax rate of 34 cents on the \$100 of assessed valuation in the district that includes Placer County and fractions of El Dorado, Nevada and Sacramento counties.

Harold M. Weaver, district superintendent, states the expenditure budget is \$584,486, with a general reserve of \$25,000 and an undistributed reserve of \$11,996 to back it up.

The expenditure budget provides for five additional faculty members, start of a transportation system, and a first installment payment of \$36,000 to Placer Joint Union High School for equipment which will be moved to the new college campus near Rocklin in 1960.

On Aug. 8, 1924, the Navy landed an airship on one of its ships for the first time, when the derigible USS Shenandoah tied up to a mooring mast mounted on the USS Patoka.

from the general fund to the county road fund.

Chamber directors said this violated an agreement that receipts from the uniform 1 cent sales tax would be placed in the general fund for the benefit of all taxpayers in the county, or used for improvements of countywide benefits such as new county buildings.

SEA OF LIGHT—Pretty Molli Baldwin shines out from a veritable ocean of light bulbs, a small fraction of the 14,000 it takes to light up the grounds of the California State Fair and Exposition, scheduled August 27-September 7 in Sacramento. More than 10,000 standard electric bulbs illuminate the Fair, along with 4,000 flood lights and hundreds of fluorescent tubes.

PLACER EMPLOYEES WELFARE PROBER

AUBURN—Henry W. Clancy, Sr., of Sacramento has been hired to take over the new post of county welfare investigator.

The board of supervisors made the appointment after Clancy had been selected from a field of 14 applicants by Welfare Director Al-

fred Hailpam, County Executive John Bernard and District Attorney Al B. Broyer.

Clancy formerly was a detective in the Sacramento Police Department. His salary was set at \$415 per month.

Lighting of San Francisco's streets costs about \$1.25 per person per year.

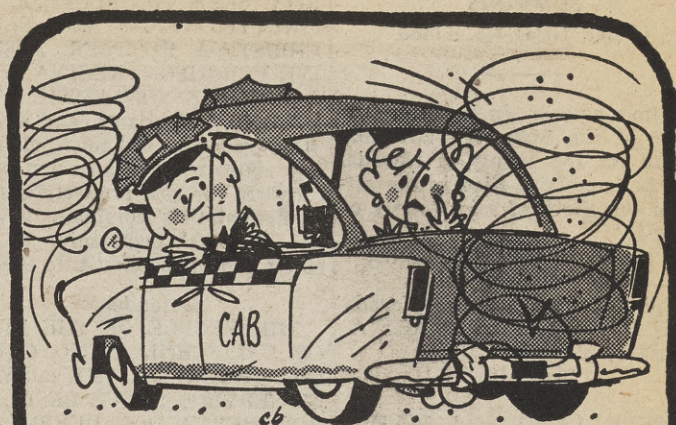

400 CHILDREN ARE GUEST OF SHRINERS AT CIRCUS IN RENO

KINGS BEACH—August 6th was a great day for 400 children from the Kings Beach, Tahoe City and Truckee area, as this was the date of the 11th annual Shrine Circus in Reno, to which the El-Ta-Ho Shrine Club of Crystal Bay annually sponsors a free day for the kids.

The day started at 9 a.m. with the busses loading at the Post Office in Kings Beach, then to Tahoe City, Truckee, Floriston and on to Wingfield Park where a grand picnic lunch was served to everyone. The lunch consisted of sandwiches, salad, jello, milk, cookies, and candy. Then on to the Circus at the University of Nevada stadium.

The El-Ta-Ho officers would like to express their thanks to John Corbin, superintendent of the Tahoe-Truckee School District, also an active member in El-Ta-Ho, for supplying the school busses which carried the children, also the following drivers who were kind enough to drive the six bus loads. C. F. Christiansen and Jack Brown of Kings Beach; Ed Robins, Robe Beaverson, Erv Waters and John Goldsmith of Truckee.

Also thanks to those ladies who were kind enough to offer their services as chaperones; also to the following who arranged the details: president, Ray Plunkett; vice president, Roy Porath; secretary, Don Barkhurst; Skeet Thompson, Howard Guth, Charlie Heller, Milton Gates and Wayne Philipp.

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO—(CNS)—A definite drive to replace motor vehicle license plates every five years, will be made at the 1959 session of the state legislature. This was announced by State Senate George Miller, Jr., (D-Contra Costa), in a letter to Paul Mason, state director of motor vehicles.

Miller called attention in his letter to the fact that his special senate committee on governmental administration has had a private investigator operating a car on the highways without the green sticker affixed to the license plate.

The private car the investigator drove, Miller said in the letter, travelled 10,000 miles during the past three months. During that period, the driver was stopped only once, and that because he deliberately pulled in front of a highway patrolman to test the alertness of the officer.

"Had he been seeking to avoid detection," Miller's letter said, "he simply would have remained behind the highway patrol vehicle." If Miller needs any more information on the laxity of the law enforcement agencies, including local government, and the highway patrol, he can take it from the experience of this writer from January to June of 1958.

We purchased the required motor vehicle tabs in January, and deliberately stuck them in the wallet, thinking to see how long it would be before either a highway patrolman, or a local police car, stopped us and asked where the green sticker was.

This is not on one car, but on two cars, both of which were used in Sacramento and also on the highways of the state.

One car was driven to San Francisco, when a highway patrolman stopped it to investigate the driver's license of a 16-year-old boy, who was driving the car. When he found the license in order, he issued a citation to the boy for not having the green sticker on the car.

We felt it was about time to put on the sticker after that six months elapsed, but the other car was never stopped!

Miller told Mason he feels the state is losing thousands of dollars in revenues, including money from a "substantial number of trucking operators who also appear to have failed to pay their 1958 registration fees."

The cost of furnishing a new license plate every year would be approximately a million and a half dollars a year more than is paid at the present times for the stickers, which are furnished four out of five consecutive years.

Whether it's worth it to pick up the non-licensed cars or not remains to be seen, but in any event, Miller asks the department of motor vehicles and the highway patrol to "step up efforts to enforce compliance of motorists with payment of the registration fees."

CONTRACTOR TELLS OF BUILDING PLAN AT ROTARY SESSION

TAHOE CITY—Visiting Rotarians at Tahoe City Rotary Club meetings continue to outnumber local members. There were 24 members and 34 visitors at the July 5 luncheon meeting at Tahoe Inn. Guest speaker after luncheon, was S. Smith, project manager for Diversified Builders presently building at Squaw Valley for the 1960 Winter Olympic Games. Smith gave a word picture of progress and answered a number of questions. One of the several buildings under construction, Smith described the spectators building as the most outstanding in architecture, in that the roof has nine angles. The front of the building will be all glass and the building will be heated.

Among the questions asked, Smith said all construction will be completed ahead of the time for the Olympics and, the total cost is

expected to be \$7,000,000.

Fred Kilner, program chairman the speaker. Gordon Moyer is general for the month of August introduced

eral program chairman. Martin Spitsen presided.

Thinking of camping out while hunting this fall? Don't forget your campfire permit. A campfire permit is required for use of any Coleman-type stove or open campfire on all national forest lands within the state.

State of California
 Department of Public Works
 Division of Architecture
NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Division of Architecture, Public Works Building, 1120 "N" Street, Sacramento, California; until 2:00 P.M., Tuesday, August 19, 1958, at which time they will be publicly opened and read for the REPLACEMENT OF HEATING SYSTEM, MAINTENANCE STATION - DISTRICT III, DIVISION OF HIGHWAYS, TRUCKEE, NEVADA COUNTY, CALIFORNIA, (W.O. 4316SC), in accordance with the plans and specifications therefor.

In general, this project comprises the removal of the existing filler slab and radiant heating piping in the truck storage area, and concrete apron and installing new copper pipe radiant heating panel, in new filler slab, connected to the existing heating system. The area involved is approximately 8,500 square feet.

The bidder's attention is called to the contract time requirements in Section 1, Part I, Article 1-04 of the Specifications, which stipulates that this project shall be completed on or before October 15, 1958.

Bids will be entertained on a lump sum basis for the Complete Work only.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the minimum rate of wages applicable to the work to be done to be as follows:

Classification	Hourly Rate
Cement Finisher	\$3.37
Concrete Mixer Operator - Up to one yard	3.10
Laborer	2.685
Plumber and Steam Fitter	3.925
Truck Driver - 4 and less than 6 cu. yd. w.l. cap.	2.89
Truck Driver - Less than 4 cu. yd. water lev. cap.	2.75
Any classification omitted herein - Not less than	\$2.685

Overtime - Not less than one and one-half times the above rates.

Sundays and Holidays - Not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be, all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

Plans and specifications, and forms of proposal and Bidder's bond may be obtained by requesting them in writing from the Division of Architecture, Public Works Building, Sacramento, and they may be seen at the Offices of the Division of Architecture, Public Works Building, Sacramento; 1100 South Grand Avenue, Los Angeles; and 1531 Webster Street, Oakland, and the Builders' Exchange Offices.

No bid will be considered unless it is made on a blank form furnished by the Division of Architecture and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 1, Part II of the specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any and all bids, and to waive any informality in any bid received.

You may secure U.S. Forest Service campfire permits by applying in person at any U.S. Forest ranger station and at most California Division of Forestry-Fire Stations. In addition, permits can be obtained from some local sporting goods and hardware stores in many communities.

Permits are never issued by mail. If you plan to camp within the national or state parks, check with the park ranger for local regulations and permit stipulations.

If you plan to camp on private lands, the State law requires (between April 15 and December 1) that you obtain written permission from the property owner to start a campfire on his property. You must also obtain a written permit from one of the California Division of Forestry fire stations, depending upon where you camp.

It is a good idea, too, to check local county ordinances or fire district regulations which might require permits for campfire.

PATROL EXPLAINS NEED FOR DISTANCE

A minimum of one car length for each ten miles of speed is a good rule of thumb to use when following another car in traffic says the California Highway Patrol.

"Drivers who follow this rule, allowing additional extra distance on wet or slippery surfaces, will find it easier to avoid rear-end collisions with the car ahead," stated Sergeant F. H. Snyder of the Patrol's Truckee Substation office. "Last year in California, drivers following too closely were involved in 5,083 injury and fatal accidents."

"Following another vehicle too closely, creates serious problems when the car ahead is stopped quickly in an emergency," Snyder said. "A child darting out into the highway, a dog wandering across the road, a third car cutting in, all set up situations frequently calling for quick stops."

MANY QUESTIONS FOR WATER COMMISSION

CARSON CITY — The Nevada-California Interstate Compact Commission will be handed the two-fold problem of water level and adequate domestic water level at Lake Tahoe when it meets Sept.

distance between your car and the one ahead, and good brakes are essential to safety in such situations," he concluded.

19 in Sacramento, Calif., it was reported Tuesday.

The Lake Tahoe problems committee of the agency agreed Monday at an all-day meeting to ask the joint commission to authorize an engineering study of the problem. It is:

If the level of the lake is lowered because of shoreline damage, the amount of domestic water available drops; if the lake level is increased or kept the same, damage to valuable property along the shoreline will occur.

John Perri, who made an immediate hit with northern California theatergoers in the Sacramento Music Circus production of Irene, is winning more fans this week portraying the role of Chick in Wonderful Town. The musical comedy adaptation of the best selling book, My Sister Eileen, is playing nightly through Sunday in the popular tent theater. Perri will star in next week's presentation, The Most Happy Fella, sharing the spotlight with comedienne Mary McCarty.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

Enchanted Garden

The garden of Mr. and Mrs. Charles Haydon of Auburn was the scene of a lovely garden wedding for the former Solvig Beavers and George Lardner both of Tahoe City. The wedding took place at 8:00 p.m. Saturday August 2 before a garden altar of baskets of white gladioli and carnations trailed with green ivy.

The bride, who was given in marriage by her father Sigvard Ronning, wore a pale blue street length dress with white accessories and carried a nosegay of pink roses and baby mums. The matron of honor, Mrs. James Sharpen of Nevada City was dressed in pink and flower girl Nancy Beaver was dressed in white with blue. Both carried nosegays like the brides. A charming note was added by Chris Beavers accompanying his little sister Nancy, up the garden aisle.

The song for the occasion was "At Dawning" sung by Charles Haydon who was accompanied by daughter Claire. George's brother-in-law Charles Warwick was the best man. Mrs. Sigvard Ronning of San Bruno, the mother of the bride chose a navy blue dress which was set off by a corsage of white butterfly orchids, and the groom's mother Mrs. William Lardner was attired in pale blue also set off with a lovely corsage of white butterfly orchids.

Judge Lowell Sparks performed the ceremony before a wedding party made up mostly of the family and close friends. Pictures were taken by Bill Briner.

The reception held following the wedding was also in the garden. An exquisite table of white crystal and white daisies and asters held the wedding cake and refreshments. The cake was also decorated with the natural white flowers and a weeping willow added the final note of perfection to the scene.

The Lardners will make their home in the Highlands in Tahoe City where George is employed by the Tahoe City Lumber Company. All of their many Tahoe friends extend them the very best.

Vesper Concert

On Sunday August 17, between 7 and 8 p.m., a concert with local talent will be staged in the Outdoor Chapel in Tahoe City. The organist for the occasion will be Mrs. C. E. Bosen. The concert will be made up of both instrumental and vocal selections. Free-will offerings for the winter church will be taken.

Baseball's a Man's Game?

The mothers of Tahoe City could debate this question after last Saturday's session of baseball with their sons. Although the boys won, it was only by a small margin of 18 to 16. After all, we mothers don't get out to bat that ball around every day. So hats off to you mothers who did participate (sore muscles and all). Let's have more of the same.

Art Exhibit

A crowd of about 400 observed the recent art exhibit at the St. Nicholas Hall in Tahoe City. There were 136 entries made up of artists from 10 to 72 years of age. The most popular painting of the occasion was a portrait of his father done by Loren Holmwood, well-known artist of this area. About 10 of the pictures were purchased. Everyone had an enjoyable afternoon. This is planned to be an annual event so get out your paint brush and get busy with that neglected talent.

SPARKS MAN DIES HERE ON FRIDAY

Russell M. Martin, a resident of Sparks, died Friday in Truckee. He was 46.

At the time of death, he was employed as a truck driver for a road building company. He and his widow, Ella Martin, also operated a trailer court and motel on Prater Way in Sparks.

A native of Hutchinson, Kan., he had lived in Sparks for the last year and a half.

Survivors include his widow and two daughters, Judith Ann, Sparks, and Patricia of Quincy, Calif.

Funeral services were held Tuesday at 11 a.m. in Reno.

Mr. and Mrs. Edward Trask have left here for Belmont, California.

Buy for Variety—

Mr. and Mrs. Charles Heller returned Sunday from Oakland where they had selected new merchandise for their Variety Store.

joyed a delightful luncheon and afternoon at Homewood Resort where they held their August Tahoe City Women's Club meeting. The meeting following the luncheon was conducted by Mrs. Ernest Le Pire, who opened the meeting with the traditional pledge to the flag. The theme for this year is "City Beautiful" and the ladies are well on their way to accomplishing this with their first project of rebuilding the steps leading to the Commons already completed. These steps are located beside the Community Center rather than in the previous location. Also the women helped out during the boat races with a booth of sandwiches and refreshments.

The guest speaker for the occasion was Mrs. John Brubaker, Sutter District Foundation Chairman, who gave an interesting talk on "Progress of Women from 1800" stressing their struggle for free speech, the right to hold public office and the right to vote, accomplished through the efforts of Susan B. Anthony and other progressive women.

The date for the September meeting of the Tahoe City Women's Club will be announced at a later date.

News of Death

The Howard Guths received word this week that Victor Wikander took a turn for the worse last Tuesday and passed away on August 7. His many friends who were watching his seeming progress after his recent stroke were deeply saddened by the news. Wikander died at their home in Oakland after being unconscious for a period of time. Funeral services were held in Oakland. The Wikanders were old-time residents of this area where they were caretakers for many years.

GARDENER DIES

HOMEWOOD— Albert Alberda, 76, who had been the gardener at Don Huff's Homewood Resort expired this week at Woodland. Alberda was a native of Holland and leaves no known relatives.

Wedding Licenses—

A license to marry at Reno, Nev. was issued to Robert W. Jacobs, 34, of Truckee and Evangeline A. Collins, 34, of Costa Mesa, Calif.

A second couple in the area to apply for a license to marry in Nevada were James E. Garcia, 28 and Grace Tejada, 19, both of Tahoe City.

LOCAL MAN FAILS IN CHASE OF ATTACKER

Efforts of a Truckee man, Paul Doyle, dispatcher for the Southern Pacific, were fruitless when he gave chase to apprehend the attacker of a 19 year old student, who was raped in the women's lounge of the S. P. depot in Sacramento Friday morning.

The victim, traveling from Chicago to San Francisco was spending the night in the depot waiting for a train. The masked Negro, described as being 6 feet, 3 inches, weighing 200 pounds and between 30 and 35 years of age, forced the girl into the lavatory where he attacked her and robbed her.

The Truckee man saw the attacker run from the lounge and gave pursuit, but was unable to catch him.

JOELLYN ASHTON IS GRADUATE NURSE

KINGS BEACH— Joellyn Ashton, a popular young lady of Kings Beach, graduated from the School of Nursing of Holy Cross Hospital at Salt Lake City on August 10. She also studied at Pueblo and Hot Springs Colorado, and a while ago attended a nurses convention at Chicago.

Joellyn graduated from the Tahoe Truckee High School in 1955. She is the daughter of Dave Ashton and Margie Charrison, and a granddaughter of Judge and Mrs. Charrison.

The graduation took place at the Cathedral, followed by a reception at the Morean Hall, both in Salt Lake City. The graduates paraded down the street to the Cathedral from the school, each carrying a large bouquet of roses. Five attended from Kings Beach, her father, Dave Ashton, her mother, also Charles Redd and friend John.

In Hospital—

Mrs. Dave Medford is in the St. Mary's Hospital at Reno where she underwent a fourth operation on a leg injured some time ago in an automobile accident.
